18. [REDACTED] Met with Representative Edward J.
Derwinski and advised him that in view of the fact that he had queried the
FBI on [REDACTED] this Agency would have no additional information
over and above that included in the Bureau's report. In the course of a
friendly conversation, I discussed with Mr. Derwinski the operation of the
third agency rule.

I advised the Congressman that a form on [REDACTED]
an Agency employee, had been misdirected to his office and no action was
required. The Congressman seemed quite satisfied on both counts.

19. [REDACTED] Dropped by the office of Representative
Donald Rumsfeld and, in his absence, expressed to his Administrative
Assistant, Mrs. Ludden, our regret that he was not able to attend the Agency
breakfast on 26 April but also expressed our appreciation for his insertion
of the Atwood article in the CONGRESSIONAL RECORD.

20. [REDACTED] Met with William Woodruff, Senate
Appropriations Committee staff, and outlined for him the proposed response to
Senator Mundt concerning the Senator's letter request for background on the
MANCHESTER UNION LEADER article "Missile Buildup in Cuba." Woodruff
agreed that the blind memo response, unclassified, is in keeping with the
desires expressed by Senator Mundt in our previous meeting with him on a
similar type problem. I also provided Woodruff, for Senator Hayden, with
copies of Senator McCarthy's insertion in the CONGRESSIONAL RECORD of
24 April of the NEW YORK TIMES article by Senator Fulbright and the forth-
coming Braden article.
